This special publication serves as a link between the gardener and the many wonderful nurseries which offer rare and unusual plants for our (sometimes) gentle climate. Participating members are promoted through distribution of 7,000 print copies throughout OR & WA at local colleges, businesses and events including the Home & Garden Idea Fair & Home show. In an effort to reduce our carbon footprint the Specialty Nursery Guide is primarily available online featuring links to participating members and events, an interactive map and an indexed product list. Deadline to be included in Guide publication is Dec. 31. Memberships rcvd after deadline will not be included.
